SECTION 5. Pay Periods: All school-term employees shall be certified for all basic hours worked subject to Article V, Section 4, Subd. 3. B. School-term employees may elect either 20 or 24 annual payments. If no election is made the district will default to 24 pay periods, with paychecks September 15th through August 31st of each year. When an employee is promoted to a different position in the next highest classification, the employee will be moved laterally onto the same step in the new classification. When an employee is promoted to a different position which is greater than one classification higher than their current position, the employee will be moved in the following manner: Current step placement of 1 stays on 1 in new classification, current placement of step 2 moves to step 1 in new classification, current placement of step 3 moves to step 2 in new classification, and current placement of step 4 moves to step 2 in new classification.

Reclassification of current position: If an employee's current job is placed in a higher classification, the employee shall be moved laterally onto the same step in the new classification and receive that higher rate of pay.

Subd. 2. If an employee is transferred or moved from one classification to another or if an employee's job is placed in a lower classification, the employee shall be moved laterally onto the same step in the lower classification without loss of pay. However, no further salary increases will be allowed until the salary at the next highest step on the employee's new classification is more than the employee's carryover salary level.

Subd. 3. If an employee voluntarily moves to a lower classification, the employee shall be moved laterally onto the same step in the lower classification and be paid at a lower rate of pay.

Subd. 4. If an employee fills a temporary vacancy which is a different classification, he/she will be paid at the rate of pay for that classification at her/his current step.

SECTION 8. Reclassification: In the event an employee's job responsibilities change, then that employee shall be reclassified to the next higher classification providing that the employee's new responsibilities warrant a change.

This reclassification shall be subject to a review by a committee consisting of (1) school building employee, (1) non-school building employee, and the Local #207-2 President, selected by the Unit, and (3) members of the Administration. The decision of the committee will result in a recommendation, with the final approval required by the Superintendent.

Article VII Group Insurance

SECTION 1. Health and Hospitalization Insurance:

Subd. 1. Premium Contributions:

- a) District contributions for employees' medical insurance for all full-time employees who qualify for and are enrolled in the school district group health and hospitalization plan shall be as follows: The District shall contribute 100% of the premium cost for each single coverage subscriber and 90% of the premium cost for each family coverage subscriber, except that at no time shall the District be responsible for contributions toward the cost of the family coverage, of any such premium in an amount exceeding 100% of the cost of such premium during the immediately preceding year. Premium costs beyond the contribution of the District shall be borne by the subscriber.
- b) Full-time employment shall be defined as certified for at least 6 hours per day for all certified days in a fiscal year. Employees whose hours are below full time status will receive prorated District contributions based on their percentage of full time.

- c) **Married Spouse District Contributions:** If a bargaining unit member is married to another district employee, the following will apply in calculating the district portion of the premium(s). The two employees may choose either of the following:
- Each takes a single plan. No change will be made to calculating the district cost of premiums; the district will contribute the single district portion of the premium for each employee according to their applicable contract.
 - The employees may choose to have one family plan. If a family plan is selected the district will pay the contractual district portion of the premium for the policyholder. The non-policyholder spouse will be eligible for district paid premiums up to the single district portion of the premium for their applicable contract. The district will never pay more than the full cost of the family premium.

Subd. 2. Insurance Plan:

- a) Effective 10/1/23 all active employees who qualify for and are enrolled in the school district group health and hospitalization plan shall have the Board approved high deductible healthcare plan with a Health Savings Account (HSA).
- b) Those that retire prior to 10/1/23 will be grandfathered into the plan they retired on. Those that retire on or after 10/1/23 will have the same plan as active employees.
- c) The single plan will have the minimum required deductible to offer an embedded deductible plan¹, currently 3,000 (2023) per year. The family deductible will be double the single deductible, currently 6,000 (2023) per year

Subd. 3. HSA Contributions by the District: District contributions into participating employee's HSA shall be as follows:

Subd. 5. Hardship: Should an employee lack sufficient funds in their HSA account for verifiable medical debt, they may, at the employee's option, request an advance of contractually afforded deductible contributions. The district will disperse monies for employee requests upon submission of the appropriate form in amounts not less than \$250.00. The District will never contribute more than will be owed into the employee's HSA for the remainder of the fiscal year. This form can be accessed by contacting the payroll department.

Subd. 6. New employees must make individual application for such insurance within 30 days of their employment by the school district in order to qualify for membership. If application is made after the 30 day period the employee will follow late enrollment procedures as directed by plan document.

¹ The Internal Revenue Service (IRS) requires that the minimum statutory deductibles for plans with HSAs be indexed for inflation. To remain compliant with IRS rules and offering an embedded deductible plan, the yearly deductibles will increase in future years. Increases will be the minimum required on a single plan to offer an embedded deductible, and family deductibles will be double the single.

The full premium shall also be paid for all nine (9) month employees during the summer months. No additional compensation will be paid to those who choose not to accept the plan.

SECTION 3. Life Insurance: The District will provide a \$50,000.00 term life insurance policy for all employees. Coverage beyond the \$50,000.00 is available but it must be paid for in full by the employee, via payroll deductions.
